

## Kids Konnection Contract Calendar

Family: \_\_\_\_\_ Child(ren): \_\_\_\_\_

Please note the times your children will be attending Kids Konnection. To maintain the contracted rate, a minimum of 5 hours per week per child (**or 20 hours per month per child**) is required. If you have more than one child, please also note who will be attending during those times and remember to consider all children when calculating the hours. (To simplify billing, months will now be calculated in full weeks, and may include one or more days of the previous and/or following month.)
